

**“It’s total fodder
for narcissism”**
Ivanka Trump

**Step into The Digital Photo Booth
and click the button.**

The flattering lighting makes everyone look fabulous. Each new image is added within seconds to a slide show that rotates continuously throughout the event. We can provide instant onsite printing and after the event, guests can download their photographs from our web site. Our technology is Patent pending so you won't find it anywhere else.

“The biggest hit of the party”
Instyle.com

“The idea was to bring people who are here into the event. So, the point is: you are the event. That’s it in a nutshell.”

*Whitney Museum director
